PROJECTS

Meet App

https://akr0051.github.io/meet

- Built a serverless, progressive web application with React using a test-driven development technique using Google calendar API to fetch upcoming events.

Flix App

https://flixakr.netlify.app

- Developed a server and client side movie application using MERN stack and React where users can view movies in a database and add favorite movies to a list in their account.

WORK EXPERIENCE

The Helm

Board Certified Behavior Analyst, Team Coordinator

Allen, TX | June 2019 - March 2020

- Collaborated with parents, therapists, and other related professionals to develop evidence based behavior intervention plans for decreasing target behaviors and increasing functional skills.
- Increased number of BCBA billable hours by over 20% at the clinic while coordinating with clinical director.
- Coached therapists and behavior analyst interns on behavior concepts to facilitate passing of related exams.

Positive Behavior Supports Cooporation

Senior Analyst

Irving, TX | March 2016 - May 2019

- Supervised board certified behavior analysts and therapists during home visits to improve treatment efficacy.
- Identified a new assessment and curriculum for skill acquisition and trained behavior analysts to implement with clients.

Frisco Independent School District

Resource Teacher

Frisco, TX | August 2014 - March 2016

- Organized, planned, and executed individualized lesson plans, including collecting necessary resources and accommodations to teach students with various learning styles.
- Designed collection systems and analyzed behavior and academic data to decrease target behaviors using positive behavior interventions and supports and increase test scores.
